Wooded Woodmoor - one of the nicest lots in the neighborhood, with mountain views and privacy. Take more time for yourself with a maintenance free exterior: stucco/brick siding, spacious paved driveway and sleek composite deck. Whether you are entertaining or want to enjoy a quiet afternoon, the formal front room has pocket doors that make for cozy evenings by the fireplace in the vaulted living room. Party guests can flow from the kitchen, out to the deck, down the stairs to throw some bags or horseshoes in the yard. The main floor office with built-in desk and book cases makes this an easy place to work at home or home school. The walk out basement is set up for fun and entertaining: game room with 3/4 bath and french doors to the patio. There is a hidden storage area with shelving as well as another storage space ready to be finished by the next owner with a sink, two large windows and a built-in play house for little ones.
