PROPERTY DETAILS

Wonderful family home with many upgrades that everyone will enjoy. Spectacular mountain views from the large deck off of the master bedroom or from the full length covered patio which includes a gas fireplace and built-in Viking grill. Warm and delightful kitchen with slab granite counter tops and stainless appliances. The living room has a full two story open ceiling. The second floor offers four bedrooms and three full bathrooms along with a small loft area. The basement is where everyone will go for the weekend games with a rec room with fireplace, large wet bar with dishwasher and room for two refrigerators. If the TV is not big enough then you can enjoy the large theater room with two rows of reclining chairs. There is one conforming bedroom and one non-conforming bedroom/den. The garage is over-sized and has one garage door in the back of the 3rd bay. For the morning sun, you can enjoy the wrap-around covered porch. There is plenty of parking with the circular driveway.
