Stunning Newer Home In Move In Ready Condition!

Single Family | 4885 SQFT | 4 Beds | 3/1 Baths | 3 Car | 0.17 Acre

PROPERTY DETAILS

You will love this stunning newer home located on a quiet cul-de-sac. The kitchen is open to your family room and features a large kitchen island with seating, eat in kitchen table area, plenty of cabinets and storage with a gas stove and double ovens. Enjoy the large master bedroom with a five piece master bath and walk in closet with built in organizers. There are 4 large bedrooms up stairs with a bedroom in every corner and an extra work space. The large office on the main floor could be turned into a 5th bedroom. This excellently maintained home features a 3 car garage with tall garage doors. The basement is garden level on the back for plenty of light when you are ready to finish and personalize this large space. The backyard includes a covered deck perfect for enjoying the Colorado weather.
