year and the sellers are leaving the small greenhouse on back patio and a small shed ! There is a wood privacy fence in the back yard and plenty of space for a BBQ or gathering !! The 2 car garage is OVERSIZED (30' x 20') and has a separate side door entrance also !!!! And there is enough concrete driveway in front of garage to park 2 RV'S or six cars!!!!!!! This home Shows pride of ownership from top to bottom !!!! The location is also very desirable with close proximity to I-25 and Shopping and Restaurants
