## PROPERTY DETAILS

Some condos just "live better" than others, and Standley Shores is just that! Located mere minutes from Standley Lake, with hiking/biking trails, breathtaking sunsets, easy commute to the Boulder Turnpike, and top rated JeffCo schools, this main level home has been meticulously maintained and is move in ready! The generous family room with wood burning fireplace connects perfectly with the kitchen, dining area, and even a private fenced patio. The guest bedroom is right next to a full bathroom, and the master bedroom features its own full bathroom and a secondary private fenced patio! Cold weather is "snow problem" with your detached garage with storage shelves and two storage closets! With central air, updated electrical panel, full size washer & dryer, cul-de-sac location, you've found a great place to call home!
