PROPERTY DETAILS

Welcome to this stunning Fort Collins property. Renovated in 2015, it features custom landscape, modern paint, and impact-resistant roof. Enjoy custom floors, cabinetry, doors, paint, and trim. Stay connected with the security system and smart home technologies. New A/C, furnace, and water heater installed in 2011. The living room offers wood-look ceramic tiles, custom cabinetry, fireplace, and a Samsung Frame TV. The kitchen showcases ceramic wood floors, stainless steel appliances, quartz countertops, and custom lighting. Secondary entryway from the garage leads to storage cabinets and a built-in bench. The sunroom built in 2017 provides panoramic views of the backyard and individualized A/C and heat. The garage includes an epoxy floor, mini-split for heat and A/C, and laundry hookups. Main floor has three bedrooms, full bath, and primary bedroom with 3/4 bath and access to the hot tub and patio. The partially finished basement features a new 3/4 bath, fourth bedroom with TV, and home theater. Outside, enjoy the patio, landscaped backyard, water feature, shed, and hot tub with Covana automated cover. Contact us for a private tour.
