

 Single Family  3200 SQFT  4 Beds  3 Baths  3 Car

PROPERTY DETAILS

Highly maintained all brick ranch with main floor living at its best. Hardwood floors welcome you home! Main floor studyoff of the front door with French doors. Large formal dining room, ready for all of your entertaining. Main floor living space with newer upgraded carpet and custom gas fireplace. Additional bedroom on the main floor with a full bath. The kitchen is spacious, open to the living room and has a wonderful eating space with access to the back patio. No neighbors behind you, private and quiet. The main floor primary bedroom features an ensuite set up for possible handicap use with custom soaker tub, shower and large walk in closet. Your main floor laundry room serves as a mud room off of the rare, finished three car garage. The basement is fully finished and features two additional bedrooms, bathroom and bonus family room. Plenty of storage, lots of room for all!
