Let's talk house! Oh, not house, home! This home screams charm and character. Perfectly situated with two bedrooms up and two bedrooms down, you could call this home a perfect family home, an ideal home for hosting guests, or even the perfect rental house. The updates throughout are fun and tasteful. The layout is functional yet cozy and the yard is flat out perfect. Walk out back to a sprawling deck and a lot size which anyone would be happy with. The perfectly maintained grass will have you standing in awe. With the location being minutes from Lake Arbor, you'll enjoy beautiful nature walks on one of the best green belts around.
