PROPERTY DETAILS

Mountain views in North Evergreen just minutes from Hiwan Golf Club, Elk Meadow Open Space, schools, shopping & restaurants. This stately traditional home with a mountain contemporary flair is beautifully designed and meticulously planned. Richly appointed finishes give this home its individual flair and welcoming livability. Step inside the foyer and follow the open curved staircase to a spacious Primary Suite with bath plus 3 additional bedrooms and two bathrooms.

The spacious remodeled kitchen is the heart & soul of this home, flooded with natural light and offering a large center island, Kitchen-Aide appliances, cherry cabinetry and a cozy breakfast nook with corner windows that overlook the back yard.

This expansive floor plan offers space for everyone with formal living & dining areas, a large den with built in book shelves, two wood burning stone fireplaces, wide plank pegged wood floors, high beamed ceilings, and walls of windows that grace the main level. Endless possibilities in the lower level basement with a wine room, family room, bathroom and plenty of space for a gym, office/media or game room. Surrounded by mature Ponderosa Pines and lush manicured landscaping. Rare to find a home with 791 sf of additional storage!

Just minutes to I-70 head west to ski or east to all of Denver's amenities!
