PROPERTY DETAILS

Live in one of the most sought-after communities in Metro Denver—Bow Mar. With its private recreation association, junior sailing, tennis, and swimming programs, it's a picturesque place to call home. Just three houses from Marston Reservoir, this peaceful enclave is perfect for scenic strolls and wildlife spotting. Situated on a rare .90-acre lot, this property boasts mature trees and expansive patios designed for entertaining and relaxation. The 1,700-square-foot front patio features a gas fire ring, barbecue connection, and elegant stonework. The fenced backyard offers additional privacy, hidden storage, and a charming winding path. Inside, the ranch-style home features four bedrooms, four bathrooms, and 2,700 square feet of open, inviting living space. The great room is designed for gathering, with a gas fireplace framed by marble and built-in cabinetry adding warmth and elegance. A wall of four large windows and a French door bathes the space in natural light, while wainscoting and custom paint complete the look. Built-in speakers elevate movie nights, and a glass hallway door provides privacy between living areas and bedrooms. The kitchen seamlessly blends beauty and function, boasting dramatic vaulted ceilings with exposed beams and clerestory windows that flood the space with natural light—two opening remotely for ventilation. Rich Corinthian Marble countertops complement the expansive island, which provides additional workspace and storage. Thoughtful custom cabinetry, under-counter lighting, double convection ovens, and a wine refrigerator enhance the space,
