PROPERTY DETAILS

This cozy property on a 2-acre lot is perfect for country living. With 3 bedrooms, 3 bathrooms, and a 2-car garage, there's plenty of space for you, your family, and pets. The tri-level layout offers comfort and functionality, though some updates are needed. The interior features a spacious living area, a patio for BBQs, and a peaceful primary suite. Outside, the large lot allows for gardening and has a loafing shed for horses. Enjoy the serenity of country living while still being close to amenities.
