## PROPERTY DETAILS

Be the first to live in this upgraded townhome in the Painted Prairie community. It has a front porch and is close to parks. The open floor plan includes a large kitchen with stainless steel appliances and an island. There are 3 spacious bedrooms and a loft. The primary suite has an en suite and walk-in closet. The laundry room is conveniently located on the second floor. The home also has extra storage closets. The neighborhood offers trails, parks, and mountain views. It is conveniently located near the airport, medical campus, and downtown Denver. Faux wood blinds, dog-friendly, and 6-month lease available. HOA provides snow removal and landscaping. Electronic locks and smart thermostat. Schedule a showing and apply here: [link] We look forward to welcoming you home.
