

Single Family

2587 SQFT

## PROPERTY DETAILS

Escape to your mountain retreat, where nature meets modern living. This updated 4 bed/3 bath home offers mountain views and contemporary elegance. The open floor plan features vaulted ceilings, hardwood flooring, and a wood-burning fireplace. The kitchen has stainless steel appliances and a granite waterfall island. The primary suite has a loft, walk-in closet, and spa-like bathroom. Outside, enjoy the no-maintenance deck and fenced-in areas. The home has a metal roof and Hardie cement siding. Easy access to Highway 285. Your mountain dream awaits!
