## PROPERTY DETAILS

Beautiful one owner mountain home! This custom built home sits on sprawling acreage with gorgeous mountain views and easy access to Hwy. 24 with ski resorts one way and major cities with all the amenities in the other. Perfect for year-round living or a great mountain get-away! Meticulously maintained, this home offers 3 bedrooms, 2 baths and a huge RV garage. Walk to the entry on the beautiful rock pathway past the calming water feature onto the stunning wrap around deck. Enter the home into the great room with vaulted ceilings, wall of windows and wood burning stove. The main level features the kitchen with breakfast bar that opens to the great room and dining area. Down the hall is the master bedroom with custom built ins and a large master bath. Upstairs in an open loft, 2 guest rooms and shared full bath. The basement features a workshop with laundry area and a sweet little wine room. Access to the 2 garages is through the basement as well. One garage for a single car and another for an RV or 2 cars tandem. The outdoor space features stunning views of the mountains and rock outcroppings and a spa to enjoy year round. The wooded lot has ample room for the addition of out buildings or just space to enjoy nature, hike and explore. Peace and solitude awaits you in this one of a kind properties!
