

Single Family 4392 SQFT 6 Beds 4 Baths 3 Car 0.28 Acre

PROPERTY DETAILS

Spacious main level living home in coveted Woodmen Hills. Large lot backs to golf course with beautiful mountain views. Enter into the open foyer with gorgeous hard wood flooring. Just off the entry is the home office with built in shelving and glass french doors. Down the foyer is the heart of the home featuring an open living area with kitchen, living room and wonderful year round sun room. Additionally the main level offers the large master bedroom with attached master bath, laundry room and 2 additional bedrooms with shared full bath. Off the kitchen is an electronic dog door featuring its own staircase to the fenced rear yard! The lower level has a huge family room with full wet bar, more bedrooms and bath and a large storage room. The rear yard has a great shed, new concrete patio and views that you'll love!
