PROPERTY DETAILS

Come see this beauty nestled in the tranquil Southern Gables neighborhood in Lakewood. Giant sunroom seamlessly connects with the lovely outdoor space with covered patio and grilling area, large lot perfect for gardening, relaxation, and hosting outdoor events. The house is further enhanced by a huge finished heated garage with 220 and a built-in compressor that you can use for impact wrenches and a huge driveway on the other side of the home perfect for RV, boat/trailer. A blend of modern elegance with a warm, welcoming atmosphere. The sun-drenched first floor of this spacious home is open and airy with hardwood floors, oversized east and west-facing windows. Large shed for all your garden tools. A sizable yard with fresh landscaping that will satisfy anyone's desire for Colorado's indoor/outdoor living. This house has the bones to back up the beauty owners of over 30 years. Cuddle up with a loved one and enjoy sunsets and a glass of wine. Cozy fireplace in family room. Welcome Home!
