PROPERTY DETAILS

Experience one-level living in this stunning "Coastal Industrial" themed fully remodeled home in Copperleaf. The modern high-end finishes and calming colors create an atmosphere you'll love. Enjoy the 2 bed with study open concept design loaded with upgrades like wide plank luxury vinyl floors, custom trim, plantation shutters, and a beautiful fireplace. The kitchen is perfect for entertaining with double ovens and granite countertops. The basement offers endless possibilities for additional bedrooms, a rec room, and storage for a total of 3,700 sf. The backyard features a private covered patio and firepit area. Located near the pool and clubhouse & across from a park, this home is truly unique in Copperleaf.
