PROPERTY DETAILS

This semi-custom property is a paradise for garage enthusiasts and tech lovers. It features a tandem 5-car garage with epoxy floors. The house is pre-wired for a hi-tech home automation system. The system includes equipment already installed in the basement and can control various aspects of the house such as TV, music, lights, shades, alarms, security cameras, and door locks. The residence has a meticulously maintained interior with an open and bright floor plan, perfect for entertaining. The gourmet kitchen has custom wood cabinets, an enlarged island, and high-end Viking appliances. The primary suite is spacious with an ensuite bathroom that includes double sinks, a glass-enclosed shower with multiple shower heads, a jacuzzi tub, and heated floors. The house also has a basement waiting to be finished, a professionally landscaped front yard, and a stamped patio in the backyard. Mineral, oil, and gas rights are excluded from the sale.
