PROPERTY DETAILS

Stunning townhome in coveted Oakmont community. This gorgeous end unit has been completely updated and features high end finishes throughout. Enter into the huge, open floor plan with walls of windows, beautiful hardwood floors and vaulted ceilings. The kitchen hosts custom quartz counters, eat-in area, floating shelves, pantry, coffee/wine area and a lovely center island. Off the kitchen is a private area that can be used for dining, a sitting room, or whatever your heart desires. The living room offers a wonderful floor to ceiling brick fireplace, windows with power shades on 3 sides and flows to another dining area and sunroom with walk-out to covered deck. The upper level has a loft area that overlooks the entire main level and the private primary suite with en suite bath, large walk-in closet and it's own private deck. The lower level is light, bright and has a huge bonus room that can be a home gym, workshop, storage room and much more. Each level has a bedroom with full bath, perfect for guests! Located in well maintained community, close to shopping, dining, entertainment and so much more!
