PROPERTY DETAILS

This well-maintained home offers great living space, all on one floor with additional finished space in the basement. It has 5 bedrooms and 3 baths. The main level features 2 light and bright living spaces, a gorgeous kitchen with granite countertops and 42-inch cabinets, laundry, primary bed/bath, 3 other bedrooms, and a full bath. The living area has elegant plantation shutters overlooking the beautiful backyard. The basement provides more space for friends and family to make memories, with a bonus space, gaming area, bedroom, 3/4 bath, work area, and great storage. The backyard has a covered patio and backs to a trail system. The location is great, with the Parker Rec Center nearby, as well as a disc golf course and dog park. There are also shopping and dining options nearby. This beautiful home is a great opportunity to explore something new every day.
