Updated Lyons Park Pool Home!

Single Family    1482 SQFT    2 Beds    2 Baths    1 Car

PROPERTY DETAILS

Don't miss this great house in Lyons Park! It has a pool and a 1 car garage. Originally a 3/2, one of the bedrooms was converted into a large primary suite with an updated bath and walk-in designer closet. The corner lot features a beautiful salt water pool installed in 2016 and a large fenced yard. The house also has a separate oversized utility room, updated kitchen with high-end appliances, and a wood-burning fireplace in the family room. The doors and windows are impact-resistant, except for 2 garage windows. New roof in 2015. Large front porch. Corner lot.
