## PROPERTY DETAILS

This property in Firelight Highlands Ranch is a must-see! With 4 bedrooms, 3.5 bathrooms, and a finished basement, this home offers functionality and comfort. The main level features an office, sitting or dining room, kitchen with dining area, family room, half bath and laundry room. Upstairs, the master suite has a private bathroom and walk-in closet, while the other bedrooms can be used as guest rooms or play areas. The Firelight Highlands Ranch community has parks and walking trails, and residents have access to four recreation centers included in the HOA. The Southridge Rec Center and Grocery Store are only a few block away!
