PROPERTY DETAILS

Welcome to this charming 3 Bedroom and 2 Bathroom Victorian home in Denver's Washington Park neighborhood. Located walking distance to coffee shops, restaurants, and Washington Park. The main level features an open concept living room, dining and kitchen area, a 3/4 bathroom, and laundry room. The large kitchen has stainless steel appliances and white cabinetry. There is an additional room in the back that can be used as a formal dining space or additional living room. The main level also has a large bedroom with a spacious closet. On the second floor, there are two more bedrooms and a full bathroom with a clawfoot tub. The loft space can be used as an office or gym area. Skylights provide natural light and the home has new paint throughout. The private backyard has a new carport and patio for entertainment. Hardwood floors throughout the main floor and new interior and exterior paint complete this beautiful home.
