PROPERTY DETAILS

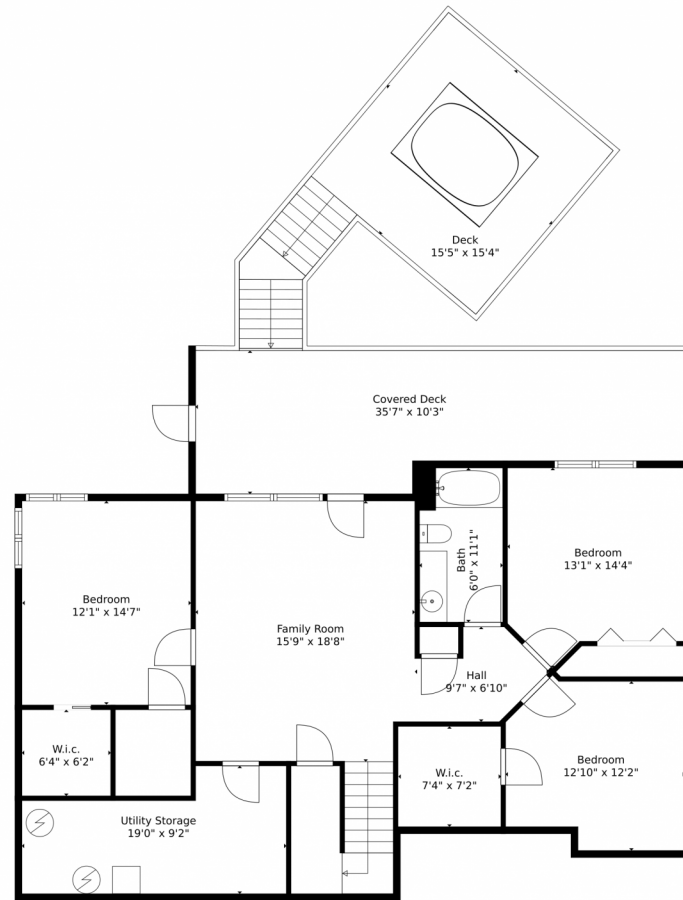

Experience nature at its finest in this scenic, energy-efficient 4BR, 3BA retreat. With views from every room, you'll feel immersed in the beauty of the mountains. The open floor plan, vaulted ceilings, and river rock fireplace create a cozy and inviting atmosphere. The gourmet kitchen, updated in 2015, features white cabinets, stainless steel appliances, and granite countertops. The luxurious primary suite and walk-out basement add to the appeal of this home. Enjoy the outdoors on the south-facing decks, including one with a hot tub. The home is equipped with solar panels, high-efficiency appliances, and zoned heating for green living. Other features include a 2.5-car garage, attic storage, and high-speed internet. Don't miss the opportunity to live in this serene mountain retreat.
