PROPERTY DETAILS

MOTIVATED SELLER: Have it all in a Cherry Creek townhome, Denver, CO. This property with one master bedroom on the main floor and another spectacular master bedroom upstairs with two full bathrooms and 1,662 square feet of living space, offers a comfortable and convenient lifestyle.

The living room is a stunning space featuring a vaulted ceiling, hardwood floors and a beautiful fireplace. It is a perfect place to entertain guests and relax with a good book. The kitchen is a chef's dream with stainless steel appliances, granite counters in both bathroom and a breakfast bar for casual dining.

The bedrooms are spacious and offer plenty of natural light, creating a peaceful retreat. The bathrooms are well-decorated with modern fixtures and ample storage space. Outside, you'll find a lovely patio and two balconies, providing additional space for outdoor relaxation and enjoyment.

The Cherry Creek community is known for its vibrant atmosphere and convenient location. With a variety of shops, restaurants, and entertainment options just moments away, you'll never be far from the action. Don't miss your opportunity to
