

 Single Family  2352 SQFT  4 Beds  3 Baths  1 Car  0.23 Acre

PROPERTY DETAILS

Welcome to your dream home in Englewood! This incredible property has it all—4 bedrooms, 3 bathrooms, and 2,352 square feet of living space. Step inside and be captivated by the stunning hardwood floors and abundant natural light. The open layout seamlessly connects the dining room, living room, and kitchen, perfect for entertaining. The chef's paradise kitchen features new stainless steel appliances, white cabinetry, designer tile backsplash, granite countertops, and sleek black finishes. The main floor primary bedroom is a true retreat with a fully updated en-suite bathroom. The basement is fully finished with luxury vinyl plank flooring, a bedroom with a walk-in closet, an updated bathroom, laundry room, and family room with a wood-burning fireplace. Step outside and discover your own private paradise with a covered patio and spacious, well-maintained yard. The detached garage is perfect for storage or a workshop. This property offers easy access to parks, restaurants, shops, and more. Don't wait—come see it for yourself!
