

 Single Family  1618 SQFT  3 Beds  2 Baths  1 Car  0.21 Acre

PROPERTY DETAILS

This property has been renovated with new paint and cleaned carpets, giving it a fresh look. Located in the Cimarron Westridge neighborhood, it offers easy access to shopping centers and highways. The kitchen is remodeled with Granite and S/S appliances. The bedrooms have large mirrors as closet doors, creating a spacious feel. The master bedroom has an organized closet for easy storage. The lower level living room has a cozy fireplace. There is a private bathroom in the lower level bedroom, perfect for guests. The backyard is fenced and sloped, providing security and scenic views. The house also has solar panels to reduce monthly bills. Don't miss out on this opportunity!
