

Condominium

975 SQFT

2 Beds

1 Baths

1 Car

PROPERTY DETAILS

Location, Location, Location! This updated first floor condo is bright and ready to go! The foyer leads to a large great room with laminate wood floors. A sliding door opens to a bi-level patio with a covered top level, perfect for outdoor living and dining with a Mountain View. The kitchen is open and updated with painted cabinets, quartz countertops, and new lighting. The primary bedroom is spacious and there is a full hall bathroom. The unit also includes in-unit laundry and a reserved/secured garage parking spot. Stay active with the community exercise room and enjoy the nearby Cherry Creek State Park. Walk to shopping, dining, and public transportation. Cherry Creek School District.
