PROPERTY DETAILS

Ranch style home in the Foothills outside of Denver with a southern exposure, flat useable lot too! This home has character, updates, office space and a place for all your outdoor gear on the property or in the 40x40 workshop (concrete floor, high ceiling, built-in office). See for yourself if this is the house for you! And if you aren't already familiar with Pine, start with a coffee and cinnamon roll at the Coffee Bean n Bakery, a short day hike at Staunton State Park and lunch at Crossroads - surprisingly good BBQ! If you are looking for a change of scenery, a change in your lifestyle and a better tax rate.
