PROPERTY DETAILS

Welcome to this stunning Horizon View home on a spacious corner lot in the Millennium subdivision. With elegant stone accents, this home blends modern design and charm. The private backyard features white vinyl fencing, a grassy area, garden boxes, and a storage shed. Inside, enjoy four bedrooms and a dedicated office space, perfect for remote work. The unfinished basement offers potential for customization. Gorgeous hardwood floors complement high-end finishes, including granite countertops and luxurious cabinets. The chef's kitchen boasts a gas range and ample counter space. Cozy up by the fireplace, and benefit from a whole-home humidifier and radon mitigation system. Upstairs, a versatile loft adds extra living space. Conveniently located near major highways, shopping, and the Rocky Mountains, this home offers the best of both worlds. Don't miss out on this incredible property!
