## PROPERTY DETAILS

Discover the most Spectacular Panoramic Mountain Views in this inviting 4-bedroom home located in Kings Valley. Positioned amidst striking rock outcroppings and tall pines, this house offers stunning views of Pikes Peak and more. The residence features amazing wrap-around decks on multiple levels, perfect for enjoying the natural surroundings and taking in the beautiful scenery. The open floor plan allows for plenty of natural light, enhancing the hardwood floors and vaulted ceilings throughout the main living areas. The living room is bright and open with amazing mountain views, featuring a unique double-sided gas fireplace, providing a cozy ambiance. The large kitchen is designed for both functionality and style, equipped with stainless steel appliances and a gas stove. The center island includes seating, making it an excellent space for meal preparation or casual dining. Additionally, there is an abundance of counter and cabinet space, ensuring ample storage. The entire upper level is dedicated to the primary suite, which is a spacious and private area complete with a spa-inspired bath, a fireplace for added warmth, and three walk-in closets, including a dressing area. The walk-out basement hosts three generously sized bedrooms that share a guest bathroom and family room making it ideal for family or guests. An attached two-car garage provides convenient and secure parking. The property is situated on a county-maintained road and is close to
