PROPERTY DETAILS

Looking for a mountain escape that's all yours? This sweet 2-bed cabin in Michigan Hill is tucked among aspens on 3 acres—perfect for kicking back! A stone path leads to a deck begging for coffee and epic valley views. Inside, it's all warm wood, an open layout, and a wood-burning stove that screams cozy. The bedroom's your snug retreat, and the deer and elk popping by? Total bonus! With a new roof and power coming by mid-April, it's ready to roll. Close to Pike National Forest for hiking and fishing, plus Fairplay's cool shops just a hop away. Want starry nights and chill vibes? This is it—snag your private tour before it's gone! Septic rated for 2-bedroom suitable for 4 people.
