PROPERTY DETAILS

Don't miss this beautiful, move-in ready home perfect for entertaining or quiet evenings. The welcoming front yard features a concrete patio. Inside, the kitchen boasts ceiling-high cabinetry. The main level has two bedrooms, including a primary suite with a large walk-in closet. The basement offers two more bedrooms with egress windows. Enjoy hardwood floors under the carpet in the primary bedroom. Upgrades include PEX plumbing, a gas line for the dryer, and a radon mitigation system. The electrical system is modernized, with 110 outlets for holiday lights. The spacious backyard has a large patio and an oversized two-car garage with 220V. Both yards feature a sprinkler system. Located across from a permanent park and near additional parks, the library, and Broomfield Bay Water Park, this home offers a peaceful view and convenient access to amenities.
