PROPERTY DETAILS

Great price on this 4 bedroom/3 bathroom/1 car garage, blonde brick beauty in Centennial. Welcoming floor plan with 3 bedrooms/ 2 bathrooms on the main level, a large living room, spacious kitchen with lots of cabinetry and countertop space, and main floor laundry. The primary suite has an en-suite. The basement is also a nice surprise with a kitchenette with additional cabinets and countertop space, a huge family room, and another en-suite. Bedroom is non-conforming, and just needs an egress window. But what a bonus to have a home in Centennial, of this size, with spacious rooms, two en-suites, and a large 10,000+ square foot corner lot. There is a breezeway in between the home and garage, and buyers are going to love the gazebo, and sunroom. Great garden area with lots of sunny spots. Garage is oversized, and there's plenty of off-street parking, and/or RV parking. Very close to The Streets of Southglenn, DTC, trails, light rail, great schools and shopping. No pesky HOA and low taxes. Check out this beautiful home today. Home is sold AS-IS.
