PROPERTY DETAILS

Located in the historic Baker neighborhood, this renovated ranch-style home combines charm and modern amenities. With 1,256 sq. ft., it features two bedrooms, two baths, and new oak plank flooring. The updated kitchen and baths enhance its elegance. The primary bedroom includes dual closets, while the second bedroom has a custom walk-in. A bright sunroom overlooks a private backyard with a garden and water feature. The property offers a three-car off-street parking area for RVs and a storage shed. Upgrades include new electrical, plumbing, and roofing, all compliant with 2024 Denver codes. Just a block from South Broadway's shops and two blocks from the light rail, this home presents a vibrant lifestyle opportunity in Denver.
