## PROPERTY DETAILS

Updated 2-story townhouse with new LVP flooring and baseboards on the main level and in bathrooms, plus new carpet in bedrooms and stairs. Kitchen and bathroom cabinets have been refinished in Sherwin Williams Mindful Gray, with new hardware added. Enjoy new formica countertops in both kitchen and bathrooms. Located in a quiet courtyard, this unit offers second-floor living with secure first-floor gated access. The open-concept layout features a living room with gas fireplace, dining area, and spacious kitchen, along with a half bath and in-unit laundry. Upstairs, find a primary suite with en-suite bath, a second bedroom, and an additional full bath. Includes two reserved garage spaces and a private storage closet. Recent HOA updates enhance the property. Close to Cook Park, Garland Park, and Cherry Creek Trail.
