PROPERTY DETAILS

Welcome Home to a glorious mountain-top retreat, nestled just outside of Golden with jaw-dropping, unobstructed views of the Continental Divide. Situated on 3.19 acres, this spacious 5 Bedroom, 4.5 Bathroom home boasts tons of amazing features, including 3 gas fireplaces, wrap-around decks, vaulted tongue-and-groove ceilings, large eat-in Kitchen, hot tub area in the rock outcroppings, and 4 En Suites! Warm entry-way invites you to a huge Great Room, with formal Dining Room area, and double-sided stone gas fireplace, shared with Living Room. Large Chef's Kitchen, built for families that love to cook. Kitchen boasts granite countertops, alderwood cabinets, 3 pantries, a Monogram double oven, microwave, convection set, Viking 6 Burner range, dishwasher, and trash compactor. Main floor guest En Suite with full bath and walk-in closet and main-floor powder room. Spacious Primary En Suite with private deck, big views, a double-sided bed/bath fireplace, and a 5-piece bath. Access the main wrap-around deck from Living Room and Kitchen and enjoy stunning white-cap mountain views. Over-sized 3 car garage with TONS of storage space. Owners are conveying their truck and ATV with snow plow with the sale! The lower level shows off more gathering space with an entertainment area, game area, walk-out deck and a Kitchenette. 2 more En Suites located here and an additional large bedroom with access to hot tub area. Leased solar panels with owned solar battery backup offer amazing utility savings. 40 Minutes to Skiing and Denver, 25 minutes to Downtown Golden and Evergreen.
