
 Single Family  2926 SQFT  3 Beds  3 Baths  2 Car  0.15 Acre

PROPERTY DETAILS

Welcome to this stunning 2018 ranch-style home, showcasing modern elegance and impeccable craftsmanship. With nearly \$50k in updates, it features high-quality laminate flooring throughout the open-concept living areas. The gourmet kitchen includes brand-new appliances, soft-close cabinetry, and high-end hardware. Custom closet systems and tasteful upgrades enhance the refined atmosphere. Pet owners will love the custom-tiled dog kennel leading to a dedicated dog run. The partially finished basement offers extra living space and a full bathroom, plus ample storage. The two-car garage has 220 power, and a new backyard shed provides additional storage. Equipped with negotiable solar energy, this home blends luxury with sustainability. Schedule your private showing today!
