PROPERTY DETAILS

Discover the incredible features of this fully-remodeled home! It boasts a primary suite with a walk-in closet and private bath, plus an independent guest space with off-street parking and patio—perfect for house-hacking! All major systems, including appliances, water heater, HVAC, and roof, have been replaced. Enjoy a 2-car garage, additional off-street parking, and a fully-fenced yard for kids or pets. The outdoor patio is ideal for entertaining, and you're just minutes from downtown and major highways. This home also includes a custom quartz dining table and a charming finished office/studio shed (not included in square footage). Priced lower than similar homes in the area. All appliances are included. Verify details that matter to you.
