PROPERTY DETAILS

Start the new year in this updated two-story townhouse with a finished basement. Built in 1982, it offers approximately 1,760 sq. ft. of living space. The main level features an open floor plan with a vaulted ceiling, a cozy wood-burning fireplace, and a kitchen-dining combo with patio access—perfect for entertaining. Upgrades include wood flooring, new Anderson windows, granite counters, and modern lighting. The upper level has two large bedrooms and a private office, with the primary bedroom boasting a new bathroom and custom cedar walk-in closet. The finished basement is versatile for various uses. Additional features include a radon monitoring system and a finished two-car garage. Community amenities include a pool and proximity to parks and trails. Enjoy top-rated schools and easy access to major highways.
