## PROPERTY DETAILS

With stunning 270-degree views and modern mountain architecture, 1692 Sand Lily Dr is nestled at the end of a private drive in Genesee. This beautifully remodeled home offers over 5,500 sq ft of living space, combining mountain serenity with city convenience—just 25 minutes to Denver and 50 minutes to ski areas.

Inside, enjoy soaring ceilings, oversized windows, and luxurious finishes like custom cabinetry and quartzite countertops. The main floor features a moss rock fireplace and an open kitchen and dining area, ideal for entertaining. The upper floor boasts a luxurious primary suite with a fireplace and panoramic views. The property also includes a mother-in-law apartment above the garages, perfect for multi-generational living.

Step onto one of the four decks to embrace the tranquility of your retreat or explore nearby trails. This home offers unparalleled privacy and captivating design.
