PROPERTY DETAILS

Discover this elegant two-story home featuring an open-concept layout with a spacious great room, dining area, and a well-equipped kitchen with a walk-in pantry and center island. The backyard is perfect for entertaining, featuring turf and a concrete patio. Interior highlights include Twilight cabinets, stainless steel appliances, quartz counters, and extensive flooring. The main floor also has a private study and valet entry from the garage. Upstairs, enjoy three secondary bedrooms (one en suite), a laundry room with a folding area, a loft, and a large primary suite with a walk-in closet and deluxe bathroom. Located in Enclave at Pine Grove, this barely lived-in corner lot offers mountain views and easy access to highways and downtown Parker. This home is MOVE IN ready. Call for a private showing!
