## PROPERTY DETAILS

Beautifully renovated Englewood home, full of thoughtful charm! Enjoy a spacious wraparound patio and a freshly painted exterior (2023). The bright open floorplan features luxury vinyl plank flooring and seamless indoor-outdoor flow. The modern kitchen shines with marble countertops, white cabinetry, and stainless-steel appliances (2018), complemented by an eat-in bar with sage and concrete accents. The dining area opens to the backyard through French doors. The main level includes a bedroom, office, and a spa-like bath (2021). Upstairs, the loft-style primary suite offers built-ins and an inviting en suite bath. A separate studio with backyard access is perfect for an office or gym. The fully fenced yard features a concrete patio (2021), mini-golf, and vertical garden. Heated two-car garage (2020) and a prime location near parks and downtown Littleton!
