

Beautiful Nearly Brand-New Duplex with Private Backyard

 Single Family  2595 SQFT  3 Beds  2/1 Baths  2 Car

PROPERTY DETAILS

This nearly new duplex home offers a prime lot with a tranquil, fully fenced backyard and stunning mountain and city views. Inside, enjoy abundant natural light and an open layout designed for energy efficiency, featuring an integrated solar system, high-efficiency water heater, gas furnace, and Energy Star appliances. The kitchen boasts granite countertops, 42" upper cabinets, a large pantry, and a pull-out trash/recycle cabinet. Highlights include vinyl plank flooring, 9' ceilings, and 8' doors. Upstairs, find like-new carpeting in three bedrooms, including a primary suite with granite countertops and a large walk-in closet. The oversized two-car garage provides extra storage. Conveniently located near parks, DIA, shopping, and restaurants—this home is a must-see!
