

 Single Family  6232 SQFT  4 Beds  3/2 Baths  2 Car  0.4 Acre

PROPERTY DETAILS

Stunning Cape Cod home near downtown Golden, surrounded by beautiful flower gardens. This unique property boasts hickory floors, new carpet, and marble counters, showcasing pride of ownership. Features include transom windows, French doors, and built-in bookcases, creating an elegant and functional layout. Enjoy cozy nights by the fire, play pool, or unleash your culinary skills in a spacious, welcoming environment. Perfect for entertaining or quiet evenings, everyone can find their own space. The basement includes a finished workshop with workbenches, 220 electric, and ventilation for creative projects. With views of the mesa, a park nearby, and quick access to hiking and biking trails, this home is ideally located. Easy commutes to Denver and Boulder make it even more desirable. Don't miss out!
