PROPERTY DETAILS

Exquisitely updated two-story on a private corner lot! Vaulted ceilings and abundant light enhance the living room's inviting ambiance with bright windows and a modern gas fireplace. The sophisticated dining room sets the stage for gatherings, while the renovated kitchen boasts white cabinetry, deep granite counters, a farmhouse sink, and stainless-steel GE appliances, including double ovens and a gas range. An airy nook and bar seating open to the family room, where oversized glass doors lead to the lush backyard. The expanded primary suite offers a spa-like bath and private den. A generous bonus room over the garage adds versatility for fourth bedroom, office or studio. Outside, a covered patio and beautifully landscaped yard create a true oasis, seamlessly connecting front and back patios for extended outdoor living.
