PROPERTY DETAILS

Rare three-bedroom, four-bath corner unit near Cherry Creek Country Club and DTC! This well-maintained townhome features nearly 3,000 sq. ft. of living space in a community of just 60 residences. The open floorplan boasts vaulted ceilings, oversized windows, and stunning hardwood floors. The cozy living room has a stacked-stone gas fireplace, while the versatile space behind French doors can serve as an office or guest room. The kitchen includes high-end stainless-steel appliances and Corian countertops, flowing into a dining area with deck access. The primary suite offers a walk-in closet, five-piece bath, and private balcony. The finished basement is perfect for entertaining, and the home has an attached two-car garage. Enjoy community amenities like a pool and courts, plus proximity to biking trails. This exceptional residence is a rare find in Denver!
