

Condominium

550 SQFT

1 Bed

1 Baths

PROPERTY DETAILS

Discover a charming corner unit 1-bedroom condo just south of City Park, where vintage elegance meets modern convenience. This 1944 condo features a spacious living area with large southwest-facing windows, filling the space with warmth. The eat-in kitchen is perfect for enjoying morning coffee while overlooking a serene tree-lined street. The generously sized bedroom fits a king-size bed and offers a large walk-in closet that can double as a home office. Additional features include top-down bottom-up window shades for privacy, reserved off-street parking, and on-site laundry. Enjoy City Park's lush green spaces only 1 block away and nearby attractions like the Denver Zoo and Natural History Museum. This pet-friendly condo offers a vibrant lifestyle in a prime location. Don't miss out!
