## PROPERTY DETAILS

Discover a mountain retreat on a stunning 1.01-acre lot, blending privacy and natural beauty. Surrounded by majestic pine trees, the property offers breathtaking views of Elk Creek and abundant wildlife, including elk, deer, and bears. Enjoy morning coffee on the covered deck while soaking in the serene atmosphere. Inside, the home features a newly renovated fireplace and a primary suite with an updated bathroom for added convenience. The lower level includes a separate entrance, two bedrooms, a full kitchen, and a second living area, perfect for guests or rental income. Relax on the lower deck with a hot tub, and take advantage of the oversized garage, carport, and RV parking. Experience a lifestyle where modern comfort meets mountain living, with seasonal wonders waiting at your doorstep.
