Exquisite Mountain Sanctuary & Horse Property – 4 Acres, 30 Minutes from Denver
 \$1,450,000 | 3,000 SqFt | 4 Bed | 3 Bath

Discover a stunning mountain retreat just 30 minutes from Denver. This 3,000 sqft timber-framed home on 4 acres features a striking rock outcropping, blending modern luxury with charm.

The main level includes a wood stove, chef’s kitchen with granite island, dining room, guest bedroom, and a luxurious master suite with heated bathroom floors. An expansive living room boasts vaulted ceilings and a 65” electric fireplace, complemented by an integrated speaker system and four wraparound decks offering breathtaking views.

The second level features a loft, two bedrooms, an office, and a full bathroom with a soaking tub. The property includes a large 4 stall barn, a fenced yard with a chicken coop, and ample parking. Enjoy domestic well water rights and no HOA in this cozy yet expansive mountain masterpiece. Perfect for those craving space, privacy, and escape from the everyday grind.
